## Selectmen's Meeting

JULY 15, 1985 - by VIRGINIA ARRAL

SHELLFISH CULTIVATION PLAN
RECEIVED FIRST STEP APPROVAL

At a public hearing last Tuesday that drew an attendance of 48 interested townspeople, Selectmen gave the first step approval to Robert M. Field of 100 Mattapoisett Neck Road to seek a state grant to cultivate shellfish from seed to marketable size.

Field outlined his proposal with an enlarged map of the area under consideration in the Brandt Island Cove. Field said that even with the conditions the Selectmen placed, the state will more than likely apply its own restrictions on the grant request before an award will be made.

The original request was for the entire cove, but the state suggested he start small and cultivate and see how it goes. He explained he would obtain ½ inch seed from a place in Dennis on the Cape; place it in enclosed plastic pens to prevent crabs from getting in; then grow the seed there for one year; and finally place it in the cove. This process will take about 2½ years, Field said.

He stated he is requesting to use about eight acres of the 20.21 acres in the cove. The state will survey and dictate the amount of area to be used.

Edwin Livingstone, a concerned abutter, said what bothered him is the space Field would be taking. Field should effect some flow of traffic for boats. Basically, he said, "it's all mud flats". Field responded, saying, "I'm flexible as to the area used." But Field noted the better flow of water, the better it will be for the seed.

Selectman John DeCosta asked how many boats go up in there. Field replied he had never seen any except what is blown in from a storm. Shellfish Warden Al Pauline said there are a lot of rocks in there and felt

the area is hazardous and not manageable for a motor.

Chester Rusinoski, another concerned resident, objected to Pauline's remarks, saying he has been in there with his motor, but admitted it is not too manageable unless you know the area.

Another concerned resident asked if Field had read the state General Laws pertaining to the requirements for granting a license. Field said he had. The questioner asked to have the law read, which Selectman James Huntoon did. The by-law explained the requirements of the applicant, the conditions under which the town board can grant a license and penalties that can be applied to persons who destroy or hinder the growth.

When asked his qualifications to conduct such a project, Field explained he is a graduate of the University of Maine, where he studied agricultural engineering, and that he has done research at the Woods Hole Oceanographic Institute.

Ted Walega, another abutter, asked about the background of the history of this type of project. Field explained it began about 10 years ago and the procedure is not speculative but the success of the project is. Field said he has spoken with people up and down the Cape and although this is rather new, the speculative part is the growth and mortality rate.

Selectman Frank Suzan said the town will benefit from this project if we can get small seed. Now the town can't afford to buy small seed; cherrystones have to be put in, Pauline noted.

After citing where, in his opinion, there were misuses of grants, Rusinoski expressed concern so that Field wouldn't use the grant

for a "private playground", because "that's my playground too". Sylvia Fales responded saying Rusinoski's remarks implied Field was going to do something underhanded. "I don't think there is an underhanded bone in his body." Pauline said he agreed. This was followed by applause for Field from the audience. Livingstone said there should be conditions about future use and he felt that at some point there will be a marina in the Brandt Island Cove area, even if it takes major dredging.

Selectmen's vote was unanimous in granting an aquaculture license for a period of five years, with certain conditions. Huntoon noted the specific condition will be explained more fully when town counsel has had time to review the wording.

Rusinoski's suggestion of a two-year license was resoundingly rejected by the audience. Pauline said two years wouldn't be fair. Selectman Huntoon added that the town could give up to 10 years but felt five years is a reasonable length of time.

In other business, Selectmen:

MET WITH members of the Board of Health to discuss the pollution problem in the Mattapoisett River. Following sample tests taken for bacteria count in the river and beach areas, the Health Board reported a particularly high total coliform count of 2800 (fecal coliform count 121) at Creek East Island Station (the creek going into Pine Island Pond); this is 40 times greater than acceptable.

The second place, Herring Run North (north of the dam), 3000 total coliform with a fecal coliform count of 61. The report noted this area was saturated with animal fat. An overflow pipe here has to be investigated, it was noted. The third highest spot was the Town Landing with a total coliform of 800 and fecal coliform of 16. The fourth highest was Herring Run South (across the high-

way) with a total coliform count of 600 and fecal coliform count of 48, above the acceptable rate.

Board of Health Agent Donald Wood said some of the totals could be run-off from animals. Wood said he was more concerned that the fecal coliform count is high. "You can find out if it's human waste, but it will take more investigation," said Wood.

Al Pauline, Shellfish Warden, suggested testing a little further north. He said the count seems to dilute further south in the river. He added that the geese in Brandt Island Cove contribute to the fecal waste and said he wished people wouldn't feed them in the winter to keep them there; it just pollutes the area. Wood agreed.

Selectmen agreed that the Board of Health should proceed with testing further north, perhaps up to Wolf Island Road, Tinkham Lane and Route 195.

DON'T FORGET CHICKEN BARBECUE AND DANCE

The third annual MMR Tri-Town "Dollars for Scholars" chicken barbecue and dance will be held on Saturday, July 27th, at the VFW Pavilion on Route 6 in Marion. Tickets are $7.50 per person. Raffle tickets will be sold throughout the evening with prizes awarded on a continual basis. Dinner will include chicken, potato salad, and corn on the cob. Beverages will also be sold. Music and dancing will begin at 8:00 p.m. provided by Disc Jockey Brian Ouellette. All proceeds benefit the MMR Tri-Town "Dollars for Scholars" Scholarship Fund. Don't miss what promises to be a fun-filled evening for everyone. If you need to be convinced, just ask anyone who attended last year. Tickets are available from members of the Board of Trustees.

## Mattapoisett Visual History

## Mattapoisett Seniors

SEEKING "ATTIC TREASURES"

The Mattapoisett Seniors' Club is to feature "white elephants" at its annual Mini-Fair on August 10th in St. Anthony's Church Hall.

Members and others in the community who would like to donate items for the event are asked to check their stores of "goodies" as the event time approaches.

The table is to be in charge of Mrs. Jane Welch and Mrs. Esther Fortin. Their aides will be named later. Items may be picked up by calling Mrs. Welch at 758-2434.

Other highlights of the Mini-Fair will be baked goods, books and magazines, coffee 'an, and fresh vegetables.

Mrs. Welch has prepared eye-catching posters which will be distributed in the area.

During the week of August 4 a telephone committee will be reaching members asking for donations for the various tables.

## Dorothy Fox's Birthday

Miss Dorothy L. Fox has lived in and been active in Mattapoisett for many years. She has served as the Town Librarian, has been a member of the Historical Society and the Woman's Club. She is also a member of the Mattapoisett Congregational Church and the Women's Community Guild.

Miss Fox will be celebrating her 90th birthday this Saturday, July 27th. She will be at home at 21 Prospect Road, Mattapoisett from 3 to 5 p.m. that day and would be delighted if friends would stop in during that time to share in this important event with her.

## Annual Feast

Mattapoisett Holy Ghost Club on Park Street is having its annual feast Saturday and Sunday, July 27th and 28th, at the club. Music will be provided by Just We Three.

On Sunday there will be a Mass at 9:30 a.m. at St. Anthony's Church, followed by a procession at 10:30 a.m. which will begin at Main Street and Route 6. Soup will be served at noon followed by an auction.

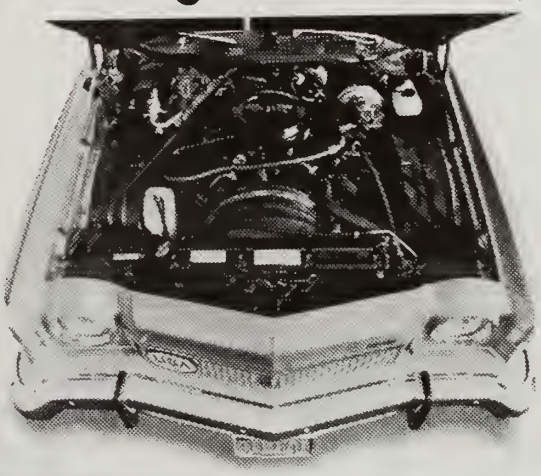
wynn's XTEND Power-Flush
Advanced Cooling System Maintenance



There's more to your car's cooling system than meets the eye. In fact, the inner-workings of your engine and automatic transmission depend on proper cooling.

A dirty cooling system will allow deposits to accumulate in the crankcase. This build-up of deposits can result in costly repairs.

But you can help avoid this expense and inconvenience with WYNN'S X-TEND Power-Flush and WYNN'S X-TEND Cooling System products. A new approach to cleaning and maintaining your automobile's entire cooling system while helping to maximize cooling system efficiency.

WYNN'S X-TEND Power-Flush unit uses pressurized water and air to flush the cooling system — including even those hard-to-reach areas.

## Marion Visiting Nurses

ANNUAL FUND DRIVE SCHEDULED

The Marion Visiting Nurse Association will hold its annual Fund Drive starting Sunday, August 4th, and Monday, August 5th. On those days volunteers will canvass the town of Marion door-to-door to ask for donations.

The Association, which this year celebrates its 71st anniversary, is a certified agency which provides home health care to the residents of Marion and Rochester regardless of ability to pay. In addition to nursing visits and home health aid, the Association provides through contracts physical therapy, speech therapy, occupational therapy and social services. The group also provides medical equipment, and a formal hospice program is available.

Chairperson of the drive this year is Cathy Browne. The agency depends on the fund drive to help maintain its status as a self-supporting organization. In spite of increased costs to the MVNA in order to comply with many state regulations, with the ongoing support of the residents the organization continues to be able to offer a high standard of service.

Residents who are not contacted during the drive can send contributions to Marion Visiting Nurse Association, Box 364, Marion Mass. 02738.

The staff of the MVNA includes Paula Camacho, R.N., Administrator; Linda Goodwin, Office Accountant; Mary Gallini, R.N.;

## Tri-Town Lioness Club

CELEBRATES FIVE YEARS

The Tri-Town Lioness Club celebrated its fifth year of service with a banquet at Hell's Blazes on June 7th. The club is sponsored jointly by the Marion, Mattapoisett and Rochester Lions Clubs.

Since its start in 1980, the Tri-Town Lioness Club has served the community and state on various levels. Publicly, the club has raised money for eye research, the Eyemobile, local scholarships, elderly services, Hospice and many other worthwhile programs. Privately, the Lionesses have given food and funds to needy families, raised money for the terminally ill in the community and provided hearing aids and glasses to those in need.

This year, through their sponsorship of the Wareham Area Junior Miss Program, and through a scholarship raffle, the Tri-Town Lioness Club was able to provide over

FAIRHAVEN SAVINGS BANK CONCERT SERIES
MICKIE LEE MARSHALL BAND-COUNTRY & WESTERN

The Rotch-Jones-Duff House and Garden Museum continues their concert series, sponsored by the Fairhaven Savings Bank, with a performance of the MICKIE LEE MARSHALL BAND Friday, July 28th, from 6:00 until 8:00 p.m. The Museum is located at 396 County Street in New Bedford and is a private non-profit organization. The Greek Revival mansion was built in 1834 and the Victorian Gardens were added in the 1850's.

The Mickie Lee Marshall Band specializes in Country and Western music, and they have performed with artists Jerry Lee Lewis at the Warwick Musical Tent and also with country and western star Jeannie C. Riley. The band is best-known locally for their performance this spring at Bishop Stang High School's "Manhattan '85". There are four members in the band including Mickie Lee Marshall, lead singer and bass guitar; Jimmy Fonseca from New Bedford, lead guitar; Tommy Rogers, rhythm guitar; and Scott Frost from South Dartmouth on drums.

The show will begin at 6:00 p.m. and the music will last until 8:00 p.m. The con-

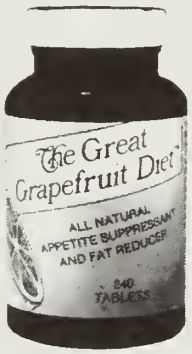
# The Great Grapefruit Diet™

ALL NATURAL APPETITE SUPPRESSANT AND FAT REDUCER

INTRODUCING . . . the latest development in nutritional weight loss technology . . .
. . . the 4-way, all natural weight loss sensation!

1 GRAPEFRUIT EXTRACT — Fruit enzymes promote fat reduction by stimulating cell metabolism.

2 THE GREAT GRAPEFRUIT DIET also contains GLUCOMANNAN, the amazing vegetable fiber, used in Japan for over 1500 years, which absorbs over 50 times its weight in fluids - giving a comfortable "full" feeling, while cleansing your system. Glucomannan, as a high-fiber substance, has the ability to restrict the absorption of fat and cholesterol in the intestines.



3 THE GREAT GRAPEFRUIT DIET contains kelp, lecithin, apple cider vinegar and vitamin B6 - the oldest and most widely used natural fat-reducing formula in the world - for burning and emulsifying fat and to flush it out of the system.

4 Uva Ursi is added to the GREAT GRAPEFRUIT DIET as a gentle, smooth-acting natural diuretic to prevent fluid retention, puffiness and bloating.

*The Great Grapefruit Diet* is carefully formulated with the best natural ingredients to REDUCE FAT AND SUPPRESS APPETITE . . . *Naturally!*

## Rochester Little League

CHAMPIONSHIP SERIES

The Astros (15-5) and Royals (15-5) squared off in a best of 3 series for the 1985 Championship in the Rochester Little League.

Game 1 saw the Astros victorious 3-1 on the pitching and hitting of James Machado who pitched 3 innings and had a 2 run homer.

Game two was highlighted by the pitching of Andy MacGregor and a home run by Scott Hartley as the Royals won 4-3.

In the final game the emotional drain on players, coaches and fans was exhausting. The Astros jumped out to a 4 run first inning lead. The Royals were mystified by the pitching of Marc Poyant. However, they bounced back to 4-3 in the top of the 4th only to have Ethan Pond (home run) lead the Astros to 8-3. The Royals refused to quit and in the fifth Jason Smith cracked a three run blast, and in the sixth Peter Norman put the Royals ahead 10-8. The excitement wasn't over as the Astros tied the game 10-10 in their sixth. The Royals went ahead 11-10 in the 7th and Scott Hartley struck the final two batters to give the Royals the Championship.

## Mattapoisett Land Trust

LAND PROTECTION IS GROWING IN NEW ENGLAND

Each community is faced with its own special situation when it comes to protecting the environment. Strange as it may seem Mattapoisett has many of the same problems and the same opportunities as are found in parts of the State of Maine. The Mattapoisett Land Trust is studying carefully steps being taken by other communities and is establishing new priorities for action based on the lessons learned in these other communities.

Northern Maine is probably the last frontier in New England. It is a land of large forests, free-ranging wildlife and few people, but that is changing so fast in recent years that concerned people are taking action to preserve this treasure before it is too late. The Forest Society of Maine has just recently completed a conservation easement on the entire Attean Township. It is 23,000 acres of mountains, rivers, lakes, forests, and wetlands of great diversity. The objective of the landowners which is a family trust was to protect these critical resources while still allowing the land to be managed for forest products in appropriate areas. The conservation easement is an ideal tool for

such an objective.

Using the conservation easement such limitations as "no human alterations within 300 feet of the shoreline of the major lake" or "sand and gravel excavation limited for use in the immediate area" were easy to work out as part of a comprehensive plan for the township. The protection of large tracts of productive forest land is very important to the economy in Maine, but just as important is the conservation of open space and recreational opportunity.

Inspired by the example of Attean Township, the Mattapoisett Land Trust has set as one of its objectives for the coming year the development of a master map of the Mattapoisett area as viewed from actual use of the land and other resources in the area. President George B. Mock III states that this map will afford a unique opportunity

## Area Students

LOCAL HIGH SCHOOL STUDENT
AWARDED 1985 RENSSELAER MEDAL

Rensselaer Polytechnic Institute awards the Rensselaer Medal annually to high school students for outstanding achievements in the study of mathematics and science during their junior year.

Receiving this award from the local area is Jeffrey T. Humphrey of Mattapoisett, son of Mr. and Mrs. Robert Humphrey. Jeffrey is a student at Old Rochester Regional High School.

One junior from each of approximately 1,700 high schools is selected annually by the school to receive this award based on the person's high achievement in mathematics and science.

GRADUATED FROM STONEHILL COLLEGE

Lisa Rocha, daughter of Mr. and Mrs. Joseph Rocha of Mattapoisett, graduated from Stonehill College, Magna Cum Laude, on May 19th. A 1981 graduate of Old Rochester Regional High School, Lisa received a B.A. degree in Psychology from Stonehill.

LOCAL STUDENTS RECEIVE DEGREES FROM TUFTS

Approximately 1,700 degrees were awarded by Tufts University during its 129th commencement May 19th on the university's Medford campus.

OLD ROCHESTER REGIONAL TEACHER COMPLETES JAZZ TEACHING SEMINAR AT TUFTS

George Murphy, an Acushnet resident and coordinator of the music department at Old Rochester Regional High School, recently completed a week-long Teaching Jazz Institute at Tufts University.

The jazz sessions were part of the university's summer program TUCET (Tufts University Center for Excellence in Teaching) and received funding from the Massachusetts Council for the Arts and Humanities.

The institute was directed by Lewis Porter, assistant professor of music at Tufts and well-known jazz author and performer. Porter introduced the 25 New England teachers to the place of jazz in society and dispelled the myths about jazz and its history. He also discussed teaching various styles of jazz and recommended books, records, and films that can be used as teaching resources.

In addition, participants heard performances and discussed the elements of jazz with world renown jazz drummer Alan Dawson, big band leader, composer and performer Herb Pomeroy and jazz-harpist Deborah Henson-Conant of Boston's Jazz-Harp Trio.

## Old-Fashioned Marion Fair

MARION CONGREGATIONAL CHURCH

The old-fashioned Fair of the Marion Congregational Church will be held this Saturday, July 27th, at the Church, located in the center of Marion, from 10 in the morning until 2 in the afternoon. This will be the 30th anniversary of this popular Fair.

There will be the usual Chapel Cafe with its fabulous lobster rolls and other home-cooked goodies, including homemade sandwiches. In addition, hot dogs, hamburgers and soft drinks will be available at the outdoor grills, as well as the fresh fruit cups.

Tables will be set for handcrafts such as knit, crochet and embroidery items, handcrafts from foreign countries; toys; homemade candy; and home-cooked foods including cakes, pies, cookies, beans and casseroles.

Other tables will sell old-fashioned cheddar cheese; plants and flowers; white elephants; books both old and new; and others. There will be a special "Heifer Project" exhibit.

For the children there will be a midway, grabs and the tempting cotton candy. One of the largest attractions will be the "pound auction" where a pound of this and and that will be auctioned off.

nial of the invention of "Burmese" art glass in New Bedford. The advent of "Burmese" sparked a decade-long fashion for this fragile, shaded glass, collected by such notables as Queen Victoria.

Lecturers at the Symposium include Robert Bryden, President of The Pairpoint Glass Company, Massachusetts; Dr. Wilfred Cohen, author and collector, California; Kenneth M. Wilson, Director of Collections, The Henry Ford Museum, Michigan; and Janie Chester Young, Director, The New Bedford Glass Museum.

The Symposium begins with a private viewing of the exhibition at 11:00 in the Glass Museum. At 12:30, the Symposium will open in the adjacent Whaling Museum Auditorium. The speaking program will include "Director's Choice: Structuring an Understanding of Burmese" (Mrs. Young); "The Art Glass of Mt. Washington's Competitors" (Mr. Wilson); "Burmese: The Collector's Pursuit" (Dr. Cohen); "Burmese and The Art Glass of Mt. Washington" (Mr. Wilson). The Symposium will re-convene after dinner with a lecture, "Making Burmese" by Mr. Bryden.

The "Burmese" Symposium will be of special interest to all glass curators, collectors, and dealers. Fee for the Symposium and dinner is $50.00, with advance reservations

In fact, blood is needed every 17 seconds, 365 days a year, with the most common type, Type O, in the greatest demand. Over half of us will need blood during our lifetime, but less than 5% of the population actually donates. That's hard to understand when you consider that it takes less than ten minutes to actually give a pint of blood, to give the gift of life.

Does it hurt? Pinch yourself - that's how it feels. The entire procedure may take about 45 minutes which includes registration, a brief physical screening, and the actual donation, followed with refreshments and a chance to relax. Feeling a little nervous is normal and may create a slight weak feeling, but that goes away after relaxing a few minutes. The only real side effect of giving blood is the wonderful feeling of having helped someone in a truly personal way.

How is the blood used? With recent technological advances, one pint of blood can help at least four different people. For example, nearly 20% of the blood supply is used for the treatment of cancer, with 32 people needed each week to donate platelets to supply just one patient on chemotherapy.

"A FUNNY THING" IS COMING TO THEATRE ONE IN MIDDLEBORO

"A Funny Thing Happened on the Way to the Forum", the musical comedy that scored a 28-month run in New York from 1962-64, is to be presented at Theatre One located at the Nemasket Grange Hall, Route 105 and North Main Street in Middleboro, at 8 p.m. on August 8, 9, 10, 16 and 17, and 23 and 24.

The musical's credentials go back farther than this Broadway success. Its tomfoolery has been drawn from half a dozen plays by Plautus, the rowdiest gag-writer in ancient Rome, whose slapstick comedies used to pack

the Colosseum around 200 B.C. and have been box office ever since, in adaptations by Shakespeare, Mack Sennett, the Marx Brothers and countless burlesque comedians.

The plot of this Roman Holiday is an unashamed medley of all the time-honored stock situations of farce....mistaken identities, masquerades, love sweet and love profane, the absurdities of an aging man still trying to be a Romeo, and the desperate deceptions of a schemer always on the verge of being found out.

Burt Shevelove and Larry Gelbart are the American writers who unabashedly turned these time-tested shenanigans from old hokum into new hokum. Stephen Sondheim, who so successfully provided the lyrics for "West Side Story", "Gypsy", and "Do I Hear a Waltz" supplied both the music and the lyrics for the songs that heighten the humor of "A Funny Thing....".

Peg Holzemer is directing the musical with a pace to keep everybody's togas flying and Maureen Hague is the musical director for Stephen Sondheim's witty songs.

methods of rehearsal, dry technical rehearsals procedures, and dress rehearsal coordination. Ms. Weeks will lecture on these topics as well as present their theoretical application to actual scenes from classical and contemporary plays.

Ms. Weeks is a guest director in residency at Priscilla Beach Theatre during a five week period, August 1 - September 8, during which time she will be teaching and directing two musical workshops: "Oliver!" and "Carnival". Ms. Weeks, an alumna and associate director of PBT in the 60's, is returning to Priscilla Beach Theatre after continual practice for the past 23 years in the directorial field with such illustrious credits as the director and founder of the Hub Theatre Center in Boston, Director of CBS' "As the World Turns", Associate Professor of Theatre and Directing at Vassar College. She has received numerous awards by the New York Critics for her productions of "Is There Sex After Birth?", "A Woman Now", and "The Miracle Worker". She is presently the director of the Acting Program of the Coupe Studio in New York City.

CIRCUS MAGIC AND MAGIC AT HERITAGE PLANTATION

Join in the magic of the circus with the South Shore Circus Band Concert and guest magician Cabert Michaels, when the group performs at Heritage Plantation of Sandwich on Sunday, July 28th, at 2 p.m.

The South Shore Circus Band has recently returned to the South Shore after performing in the prestigious Circus Parade in Milwaukee, Wisconsin during mid-July. The famous circus festival has not been held since 1973,

Whitmarsh's band is devoted to delivering the authentic sounds of American circus music. There are few bands in the country so devoted, according to Whitmarsh. The band also caters to the general audience with a wide repertoire of music including

popular music, marches, Broadway tunes and a dash of jazz and dixieland, plus much more.

Cabert Michaels graduated at the top of his class at the Ringling Brothers' Barnum and Bailey Clown School, where out of 5,000 applicants only 50 were accepted. For years he was the feature act on the world tour of the Bertolino Brothers European Circus. His colorful costumes, make-up, music and juggling combine to present a show that is not only outstanding but also unusual.

Audiences in Italy, Spain, Switzerland, Germany, Canada, France, Belgium, Holland, Denmark, Sweden, Austria, Jamaica, Mexico, Monaco and Ireland have experienced and applauded the humor and magic of Cabert Michaels. "The best Magic Show to ever come to Boston", wrote Sam Berenson in the Boston Herald Traveler.

Membership, as well as admission tickets to the Museum for day, will be honored for this concert and will include admission to all the Museum buildings, exhibitions and grounds. Tickets are $5. for adults, children under 12, $2.; five and under are free. The Museum encourages families to enjoy a picnic before the performance in the picnic area outside the Main Gate. SATURDAY NATURE WALK

Join the Thornton W. Burgess Society naturalist on Saturday morning, August 3, for a guided walk through the East Sandwich Conservation Area. This lovely area of marsh hawks and meadowmice is located off Route 6A opposite the East Sandwich fire station. The walk will begin at 9:30 a.m. and last about 1½ hours. A donation is requested of $1. for Society members, $1.50 for non-members. In need of further directions please call 888-6870.

Saturday nature walks are planned throughout the summer at various Upper Cape locations.

MONOMOY ISLAND TRIPS

The Thornton W. Burgess Society has planned two shore bird trips for adults to Monomoy Island. This magnificent island wilderness off Chatham offers Hudsonian godwits, plovers, sandpipers, whimbrels and oystercatchers to be seen on the dunes, marshes and tidal flats. Join the naturalist on either Saturday, August 3, or Monday, August 19.

The cost is $25. for members of the Society

## Westport Historical Society

"A CONCERT OF SEA CHANTEYS"

"A Concert of Sea Chanteys" is to be performed by Stuart Frank and Mary Malloy, using traditional musical instruments including fiddle (violin), button accordion, Angio concertina, English concertina, guitar, autoharp, tin whistle, "foo-foo" spoons, etc. This concert will be held this Friday evening, July 26th, at 8:00 p.m. at Alumni Hall in the Bell Schoolhouse, 25 Drift Road, Head of Westport, and is being sponsored by the Westport Historical Society, Inc.

Mary Malloy and Stuart Frank met at the Festival of the Sea at the National Heritage Museum in San Francisco in 1979. They performed together occasionally thereafter, in Seattle, Portland, Vancouver, New York, Philadelphia, Chicago, and Mystic, and have been singing together regularly in the Boston area since the summer of 1981. They are featured individually and together as speakers and musicians in the Kendall Whaling Museum and Peabody Museum.

Mary Malloy is a teacher in the Education Department of the Peabody Museum of Salem, where among her other duties she is responsible for musical and dance programs. She subsequently taught violin and voice, directed several choral groups, and conducted workshops and educational programs in museums, libraries and schools.

Stuart Frank is director of the Kendall Whaling Museum in Sharon and consultant to several other maritime and art museums. A native of New York City and graduate of Wesleyan, Yale and Brown Universities and the Museum Institute of Maritime Studies, he originated the sea chantey program and sea music festival at Mystic Seaport where he was the first chanteyman and afterwards research associate for eight years.

## Lloyd Center

SUMMER PROGRAM IN COASTAL STUDIES

The Lloyd Center for Environmental Studies is still accepting applications for the Summer Program in Coastal Studies for students entering the 8th and 9th grades. The program runs from July 29 to August 23, Monday to Friday, 8:30 a.m. to 3:00 p.m. Eighth grade students will study marine biology, taking a closer look at coastal ecosystems, studying the anatomy, physiology and ecology of coastal and estuarine plants and animals. Forces that shape the coast will be examined by the 9th graders who will study the physical properties of oceans and surrounding areas. Waves, currents and tides are explored through a series of student designed experiments. Overnight camping, field trips and swimming outings add to the enjoyment of this education program.

Tuition for the month-long program is $250. per student with reduced rates for families

VIEWING SUMMER CONSTELLATIONS

Spend a delightful Sunday evening viewing summer constellations from the roof of the Lloyd Center for Environmental Studies in South Dartmouth on Sunday, July 28th, from 8:30 to 10 p.m. This session will include star-gazing and an introduction to celestial navigation. The location of the Lloyd Center provides an excellent view of the sky with a minimum of light to dim the stellar display.

This program, part of the Lloyd Center's weekly walk series, is open to the public free of charge thanks to the support from Marianne Macdonald Real Estate, Inc. Please call the Center at 990-0505 to register for this program.

## Fairs & Festivals

The 1985 edition of "Fairs and Festivals in the Northeast", the directory of craft and art fairs, is now available for $4.00. That's $1.00 off the regular price of $5.00.

"Fairs and Festivals in the Northeast" is the source for direct marketing information in the northeast. Artists and craftspeople can find and evaluate fairs with the listings of sponsors, dates, application deadlines, fees, jury procedures and attendance. Buyers and collectors also find The Directory valuable to locate the fairs and festivals.

"Fairs and Festivals", now in its eighth year of publication, lists nearly 500 events in the six New England states and New York, New Jersey, Pennsylvania, Delaware, and Maryland, and has been consulted by 4000 artists and craftspeople so far this year alone.

To obtain your copy of "Fairs and Festivals" mail a check payable to "Arts Extension Service" for $4.00 to Festival Listing, Arts Extension Service, Division of Continuing Education, University of Massachusetts,

## Kodaly Concert Series

The Kodaly Center of America (KCA) will present two concerts during its third week on the campus of Southeastern Massachusetts University.

On Thursday, July 25th, there will be a gala concert with KCA choruses, orchestra, and soloists. The program will include Bach's Cantata No. 150 with Sarolta Peczely Kodaly, soprano; Bach's Piano Concerto in F Minor with Bertica Shulman Cramer, pianist; and works by Zoltan Kodaly. Peter Erdei and Istvan Parkai will conduct. The concert will take place at 8 p.m. in the main SMU auditorium, use parking lots 4 and 5. Admission at the door is $8. for the public and $4. for SMU students and senior citizens with New Bedford or Fall River Council on Aging ID cards.

On Friday, July 26th, there will be a free concert of chamber music by participants in the KCA summer session at SMU. The concert will take place at 8 p.m. in the Recital Hall of the College of Visual and Performing Arts (Group VI) Building, use parking lots 8 and 9.

Mrs. Kodaly is the widow of composer Zoltan Kodaly, the man responsible for the

## Safety Tips for Motorists

FROM AMERICAN AUTOMOBILE ASSOCIATION, MA.

ANTIFREEZE in the summer? That's right, says the Triple-A. To most of us, antifreeze is a winter thing, but it's vital in summer too. It increases the boiling point of water, so you're less likely to boil over. This is particularly important if your car has air conditioning.

EVERYONE KNOWS that drinking drivers risk accidents and can cause death or serious injury to themselves and others. But did you know that if convicted of drunk driving, it could cost you $2,288 plus loss of your driver's license plus a criminal record? Those are the penalties if convicted under Massachusetts law, according to AAA.

1983. State law requires hospitals to meet stringent criteria in justifying adequate need for an expansion and in demonstrating financial viability to obtain State approval for expansion of a facility.

Tobey will spend an estimated $2.5 million in this project which will ensure easy access to the emergency and admitting areas; add trauma rooms in the Emergency Department; reduce the overcrowding in the examination and treatment rooms and in the waiting areas; and ensure a smooth flow of patients through these areas.

More than 20,000 patients visit the emergency and radiology departments of Tobey Hospital every year. Steadily increasing numbers of both year round residents and the summer population indicate more patients will avail themselves of these services in the future. During the summer months, Tobey sees over 42% of the emergency visits, further exacerbating the space problem.

In October 1983 a group of emergency trained physicians assumed the staffing of Tobey's Emergency Room. Under the direction of Dr. Donald Middleton, the emergency physicians solely dedicate their practice to Tobey and provide 24 hour specialized care to our patients. That expert care and the advent of the expanded emergency facility at Tobey will assure summer and year round residents alike that Tobey Hospital is prepared to meet their needs.

CELEBRATE BROADWAY! - A GALA BENEFIT

The Zeiterion Theatre, New Bedford's Historic Performing Arts Center, has announced that Celebrate Broadway! Opening Night in Times Square - a gala benefit for the Zeiterion Theatre - will be held immediately following the opening night of the Theatre's production of A Chorus Line. The event is sponsored by Claremont Development Associates and will take place at Claremont's newest restoration project - The Times Square Building at Purchase and Elm Streets. Co-chairs of the 25-member Benefit Committee are Lynn Paulsen from Marion and Sarah R.Delano of Westport Point.

Trolley transportation will be provided from the Theatre to the Times Square building and will include return trips to the parking lots adjacent to the Zeiterion Theatre.

The party will feature dancing, entertainment by the "Herb Pomeroy Quintet", a New York style deli provided by Cerulli's of Mattapoisett, ice cream by Scoops, free champagne with a donation bar and the cast of A Chorus Line. Black tie is optional.

Tickets for the gala are $50.00 per person and includes the opening night ticket to the performance. Those attending A Chorus Line another night may attend the party. A ticket for the party alone is $40.00. Tickets may be ordered by calling the Zeiterion Theatre Box Office at 994-2900.

THE HOME OWNERS ADVANTAGE

# aerobot By PRO FORM

**There had to be a better way to do aerobics!**

Classes are great. But we thought of something even classier.

A way to, well, bring aerobics home. So we went home, and we sat, and we thought.
And we sat . . .
And we thought . . .

A machine . . .
The world's first aerobic workout machine . . .
Aerobot.

**A machine that does *more* than just aerobics**

Aerobot tones and strengthens all your muscles at the same time — and saves a lot of time. Aerobot is designed to give you muscle-strengthening benefits *plus* the cardiovascular benefits of aerobics.

Pro Form advanced engineering, advanced design for aerobics at home .. $650.00
